

Returning This Year: The Holiday Store!

Dear LLS Families,

This year we will again be having a Holiday Store. Students from grades PreK-3 thru 8th will have the opportunity to shop for their parents and grandparents. This will give the children the opportunity to pick out their own inexpensive, yet quality gifts, during school hours. The store will be open on Monday, December 4th & Tuesday, December 5th.

This service is completely optional, and definitely not to take away from your children's home made gifts. But we hope you will consider allowing your child to shop in the safe, child-centered environment. Children will learn how to budget and spend money wisely while they experience the joy of giving.

Please sit down with your child to decide how much you would like to spend. Then please write down the names and the amount of money you are sending to school **by Friday, December 1st.**

We will help and guide the younger students through the shopping process. Gifts will range from \$1.00 - \$10.00.

If you have any questions, please contact Kristi Peirick at 920-988-3658.

Happy Holidays!
