

**Exclusive Sponsorships available for the
25th Annual Seattle SIM Golf Tournament
The Golf Club at Redmond Ridge
August 22, 2018**

The Seattle SIM Golf Tournament brings together Seattle area Technology, IT, and Information Security executives for a fun day of golf on an exceptional course; the opportunity to connect with professional colleagues on the course and afterwards at the afternoon reception/dinner/awards ceremony; and the opportunity to show support for local Seattle charities.

Golf tournament sponsorships offer significant value including name promotion, business insights, and the opportunity to interact with Seattle Technology, IT, and Infosec executives in an informal setting. Sponsorships are limited and go quickly. We encourage you to secure your spot now.

Seattle SIM Members are committed to giving back to our community. Net proceeds from the Seattle SIM Golf tournament, after operating expenses, are donated to local Seattle charities. In 2017, Seattle SIM supported local charities [Year Up Puget Sound](#) and [Ada Developers Academy](#).
