ALLIANCE OF BEVERAGE LICENSEES
FOR A RESPONSIBLE LIQUOR INDUSTRY

To give British Columbians access to premium whisky and allow private liquor stores to sell product to bars, pubs, and restaurants

To the Honourable Legislative Assembly of the Province of British Columbia in Legislature Assembled:

We, the Undersigned petitioners and citizens of the Province of British Columbia, call on the Government of British Columbia and the Legislative Assembly to give British Columbians access to premium whisky and allow private liquor stores to sell product to bars, pubs, and restaurants.

The current requirement for hospitality customers to purchase exclusively from government liquor stores is illogical and out-of-date. Allowing hospitality customers to also purchase from private retailers reflects contemporary business practices and encourages further hospitality industry job creation and investment.
