2017 Fall Schedule of classes 250-478-2112

1. Long Arm Boot Camp Basics-

Does longarm quilting interest you, and you'd like to learn more about it? Or do you just need a review of longarm quilting basics? This class takes the mystery out of longarm quilting by explaining the basic terms, machine features, how to load a quilt, and the purpose of gadgets. Longarm machines come in a variety of sizes and configurations for every budget, and are designed by a quilter, for quilters - just like you!

Friday October 27 9:30am-12:30pm \$75

2. 3 Bs - Backgrounds, Borders and Blocks-

Blocks, backgrounds, sashings and borders - these are the basic components of every pieced quilt top, and there are tricks to quilting them differently while creating a cohesive overall look. Learn how to select and adapt designs to complement each area, and how to accomplish the quilting efficiently and easily. Tried-and-true fillers and go-to designs will be featured.

Friday Oct. 27 1:30-4:30pm \$75

3. Creative Textures and Fills-

Meandering is the easiest and most common filler for background space, but there are limitless creative design elements to use instead. Come expand your design portfolio by learning the stitch path of a wide variety of creative filler designs. Learn which designs best lend themselves to micro quilting, and how to use micro handles for best results.

Saturday October 28 9:30am- 12:30pm \$75

4. Custom Waves, Curves and Circles-

This class on circle templates and curved rulers presents a new world of design options. Learn how to read and use the markings on the templates, and the tricks for making half circles, flattened circles, and perfectly curved lines. Create beautiful quilting designs using swags, clam shells, ovals, arcs and half circles.

Saturday October 28 1:30-4:30pm \$75
