Accounting System Training for Federal Contractors

With the Defense Contract Audit Agency (DCAA)

Ensure your business' accounting system is set up to succeed long term in the federal marketplace. This training will provide an overview of the accounting system design review process that federal auditors utilize in the event of an

audit and requirements for federal contractors with an emphasis on Defense contracting. Additionally, the training will provide information on what makes an adequate cost proposal in the federal marketplace.

Training Includes:

- Introduction/DCAA Overview
- Accounting System Requirements
- Proposal Adequacy

To register for this free training, [click here](#) or go to our website: www.gcap.org and select the event under the "Training" tab.

About the Trainer:

Joseph Greger, Small Business Program Manager, DCAA

Mr. Greger is the Small Business Program Manager at DCAA Headquarters in

Fort Belvoir, Virginia. In this capacity, he serves as the Program Manager and audit expert for the Small Business Program with responsibility to provide

assistance, consultation and internal control with regard to audit requirements and their application to small business.
