Creating the Feedback Loop Required to Build an Engaged Workforce

How does coaching, mentoring, and feedback create a work environment that builds loyalty and engagement?

Join us as we discuss techniques for utilizing feedback to positively impact retention.

Presenter:

Debbie Oberbillig, CPC, SHRM-CP

Allen Partners, Inc. and SuccessView Coaching and Consulting Group

Debbie is highly skilled in the business aspect of talent management, including recruiting, workforce planning, and organizational training and development. Over the last five years, she has added Executive Coaching and leadership development program services to Allen Partners through her coaching company, SuccessView Coaching Group.

As an Executive Coach and Consultant Debbie's passion and expertise are to consult with and coach CEO's, Entrepreneurs and Corporate Leaders as well as developing programs to coach and retain future ready leaders and teams.

Currently, Debbie and her team at SuccessView are working with a \$300M global manufacturing firm coaching the executive and leadership teams. Through coaching and coaching for learning and development, mentoring one on one and group training they are assisting in building trust and increasing collaboration during a time of change and accelerated growth.
