

Women's Business Connections Featured Member of the Month:

Name: Maureen Jirikowic

Business: Mary Kay Cosmetics

Maureen Jirikowic is a senior sales director with Mary Kay Cosmetics and has been building her business for 23 years. She has a business administration degree and found being an entrepreneur was her niche, early in her career. Her business offers her the best of both worlds, a recognizable name and the ability to be independent. As an independent contractor with no territories, opportunities are anywhere and everywhere. What she loves best is giving her heart to other women, by providing a way thru skin care and makeup to lift self-confidence and self-esteem. She has mentored hundreds of women in this career to accomplish and set goals for them and their families. Mary Kay is in the top ten companies for women to work for and more women earn a six figure income than anywhere in the United States. Whether supplementing their income or replacing it, there is nothing that cannot be achieved with the right mindset for excellence. Maureen has earned 8 free cars from Mary Kay and is currently finishing up a pink Cadillac by June 30th. The greatest gift is to watch a team come together and realize they can be all that God intended them to be. She has led women to the \$300,000 circle of achievement and is looking for women of all ages and backgrounds that want to achieve something bigger for them and their families. With a low start up price to get started- YOU have everything to gain and nothing to lose. Maureen is married to Pete and they have 4 sons. She loves to travel and has taken her business to several states, Florida, Michigan, Illinois and Texas.
