Why we have an Alumni Tournament

There are two GOOD reasons why we have an Alumni Tournament.

- A. To raise scholarship money for current and future students at Virginia State University.
- B. To promote Greek unity and our common interest in supporting our Alma Mater.

RULES:

- **PARTICIPANTS MUST BE VIRGINIA STATE UNIVERSITY GRADUATES OR CURRENT STUDENTS!**
- **ALL PARTICIPANTS “MUST BE LISTED” ON THE TEAM ROSTER THAT IS SUBMITTED WITH YOUR REGISTRATION.**
 - Teams may combine alumni and undergraduates for a max of 10 players per roster. In fact, the teams must have at least 3 undergraduate members from the university on their team unless the undergraduate chapter is suspended/inactive. In this case the team can be all graduate members that are alumni of VSU.
- Two 20 minute halves (running clock, except last minute of 1st half & last two minutes of game)
- 5 minute half time
- 4 timeouts per game (2 timeouts per half)
- 5 minute overtime (clock stops last minute, and one extra timeout)

November 20th, 2018

Dear Alumni & Students,

Welcome to the 1st Annual 2019 Greek Basketball Tournament which is a fundraiser to support scholarships for prospective students that will attend our beloved Alma Mater. We will play the tournament on **Saturday, April 20th** starting at 2pm. Each game will be two 20-minute halves, and we will be starting games in 15 minutes intervals in order to accommodate warm-ups and performances by student organizations. This is a single elimination tournament and winner takes all registration fees minus the cost of the jersey that will be provided. We will be utilizing Daniel's Gymnasium at Virginia State University. The games will be officiated by a certified officials authorized by VSU Athletics. In the event that we have an odd number of fraternities participate then there will be a wild card game that will be drawn by the team captains prior to the start of the tournament. The drawing will begin at 1:30 pm and play will begin at 2:00 pm. There is no reimbursement of the registration fees. If you do not show up for the event or you are not at the event by 2pm then you will forfeit your registration. We humbly request that the participating teams donate the winnings to a scholarship to the university in their organizations name at the Alumni Brunch in May 2019. However, the winning organization is not bound to giving the university the winnings from the tournament.

Any disrespect towards officials will result in a technical foul. Two technical fouls will result in ejection from the tournament.

To the coaches and captains receiving this letter...please share this information with your teammates and return the entry form no later than March 1st.

Thanks for supporting the 1st Annual Greek Basketball Tournament at VSU. Any questions, concerns can be directed to me by email: pbsaa1931@gmail.com.

Sincerely,

Maurice Brown
