Webinar for Healthcare Professionals "Exploring Hospice Care"

Hospice services save money, improve care, meet patient and family goals and ensure a good death. Yet hospice is a frightening concept for patients and misunderstood by healthcare professionals. The goal of this webinar is to educate attendees in order to provide timely, quality end-of-life care to terminally ill patients and their families.

Thursday, December 14, 2017 • 2 p.m. EST • 1 hour

Featured VITAS Expert

Hari Nagaraj, MD, FACP • Medical Director VITAS® Healthcare, Sacramento

As a VITAS medical director, Hari Nagaraj, MD, FACP, oversees the medical care and treatment of VITAS patients in homes, nursing homes, assisted living facilities and residential care facilities in California's Sacramento area. He also consults with patients' attending physicians, supervises VITAS team physicians, guides staff and volunteers, and serves as a resource to healthcare professionals on the benefits of hospice and palliative care.

Dr. Nagaraj is board certified in hospice and palliative medicine, internal medicine, pulmonary medicine and critical care medicine. Dr. Nagaraj joined VITAS in 2011. He is in private practice with Pulmonary Medicine, Infectious Disease Control and Critical Care Consultants in Carmichael. He is a fellow of the American College of Chest Physicians and a member of the American College of Physicians, the Society of Critical Care Medicine and the Sierra Sacramento Valley Medical Society
