

How to Install a Drip Irrigation System at Home

February 24
or
March 8

8:30 a.m. to Noon

10th Street
Community Center
724 SE 10th Street
Stuart, FL 34994

\$5 Registration Includes
Hands-on experience
assembling a drip irrigation
system and setting the
timer

A drip irrigation kit to
take home and install in
your vegetable garden or
landscape beds

An irrigation timer to take
home

Drip irrigation systems are key to successful vegetable and flower gardening, and it's easier than you think! Not only is it easy, it also saves money on your monthly water bill. All you need is an outdoor hose spigot and a few irrigation parts.

Learn how to connect it to a hose spigot, and set the timer to deliver just the right amount of water at the right time.
