# ***105th Annual NJSACOP Training Conference & Police/Security Expo***

Each year, the NJSACOP convenes the organization's largest and most important event, **The Annual Training Conference and Police/Security Expo.**

The Conference combines prominent speakers and training professionals, high-profile incident reviews, and valuable leadership insights for the police executive with social functions, highlighted by the Installation Banquet.

The Annual Conference is also a time to learn, share ideas, establish a communications network, and renew friendships.

The emotional high point of the Installation Banquet is the NJ Police Chiefs Foundation Valor Awards, presented to law enforcement officers and civilians who have gone over and above the call of duty to help their fellow citizens at the peril of their own safety or even life.

The Annual Police/Security Expo is one of the largest law enforcement-related tradeshows in North America. Over 650 vendors and 7,500 attendees converge on the Atlantic City Convention Center for two days to view and try out the latest in tools, technology, hardware and software for the police and security professional.

The Annual Training Conference and Police/Security Expo Agenda and Registration Information can be found on the next pages of this brochure.

Please do not hesitate to contact the NJSACOP State Office should you have any questions.

Are your employees as engaged as they could be in their work? Are there certain people in your organization who struggle with their motivation? Are you leading up to your full capabilities? Would you be interested?

As we all know, law enforcement agencies are full of diverse, opinionated personalities, each with differing motivations or lack thereof. Any leader could have trouble navigating in this environment, but scientific research has shown that a transformational leader will have better success at leading and motivating their followers.
