PARTS PULLER/GENERAL LABOR

- All Shifts Available
- Pay: \$12.00 an hour

Kelly Services, in partnership with a full-service steel fabrication company, is hiring for Parts Pullers in Hartford, WI! A Parts Puller is responsible for removing parts from a sheet metal skeleton, inspecting, counting, and stacking good parts neatly on a pallet for transportation. If you are interested in working with a leading manufacturer who prides themselves on finding creative customer solutions in their state-of-the-art facility, Kelly wants to speak with you about these opportunities TODAY!

Job Responsibilities Include:

- Using a gloved hand pull sheet metal parts from a skeleton.
- Raise and lower a hammer to punch the sheet metal parts from the skeleton.
- Position an overhead crane containing a magnet over the skeleton to lift out larger sheet metal parts, remove part from the magnet, carry the part, and stack part onto a pallet.
- Operate hand tools for wire brushing and grinding of laser cut edges when required as well as operate air tools.
- Must be able to match like shapes, count and stack the shapes on a pallet.
- Must be able to visually inspect the pieces and file rough edges removing any burrs left on the parts after removal from the skeleton.
- Legibly record part counts to an inventory control sheet and attach to the pallet.
- Perform housekeeping and maintain 6S duties which include stacking the empty skeletons and keeping the work area clean and safe.

Job Requirements

- High School diploma or equivalent or previous experience in a manufacturing environment preferred
- Mechanical aptitude and ability.
- Ability to read/write and understand both verbal and writing work instructions, work orders, or customer specifications.
- Ability to perform accurate inventory counts and record the numbers using paper and pencil
- Prior ISO experience a plus
- Must be able to stand for all or most of a regular work shift as well as reach, bend and stoop.
- Must be able to lift up to 50 pounds on a regular basis.

APPLY TODAY!

- Email resume to 6411@kellyservices.com
- Apply online at www.kellycareernetwork.com
- Stop by the Washington County Workforce Development Center on July 11th, 2017 from 9 AM to 4:00 PM located on the campus of MPTC - 2200 Green Tree Rd, West Bend, WI

ALUMINUM WELDER

- All Shifts Available
- Pay: \$16.00 - \$22.00 an hour (depending on experience)

Kelly Services, in partnership with a full-service steel fabrication company, is hiring for Aluminum Welder in Hartford, WI! Aluminum Welder performs setups and operation of airtight welds in flat and horizontal positions. If you are interested in working with a leading manufacturer who prides themselves on finding creative customer solutions in their state-of-the-art facility, Kelly wants to speak with you about these opportunities TODAY!

Job Duties:

- Ensure the correct parts are issued to the job and follow all dimensions accordingly.
- Utilizing MIG and TIG welding techniques on light gauge aluminum
- Performing metal finishing
- Weld components in flat, vertical, or overhead positions.
- Work from blueprints to layout, setup, align and tack weld.

Job Requirements:

- 1+ years of aluminum welding experience
- Advanced knowledge of welding fundamentals including MIG and TIG welding.
- Previous tank experience is a plus.
- Previous experience with ISO requirements is a plus.
- Must be able to stand for all or most of a regular work shift as well as reach, bend, and stoop.
- Must be able to lift 50 pounds on a consistent basis.
- Must have visual acuity.

Education Requirements:

- High school diploma or equivalent
- Additional technical education background is a plus.
