GSM Industrial welcomes new leadership to help facilitate continued growth!

Lancaster, PA July 30, 2018: GSM Industrial, Inc. is pleased to announce the addition of Jarrod Randel to the leadership team.

Mr. Randel has been hired as the Vice President of Sales, reporting to GSM Industrial President, Brian Dombach. Jarrod comes to GSM with strong, concentrated experience in sales, project management and business analytics. He most recently worked at Southeastern Industrial Fabrication, dba "Dixie Southern", an ASME fab shop located in Florida. He brings broad based business experience in a variety of companies including gas turbine power equipment and private equity investments. Jarrod earned a finance degree from the University of Tampa and served as a nuclear reactor operator in the Navy.

GSM Industrial, a Gooding Company, is a Custom Metal Fabricator and Mechanical Contractor based in Lancaster, PA. GSM is a family owned business with a focus on safety and a 110,000 square foot shop. GSM handles turnkey custom projects which they design, fabricate, install and maintain for United States industrial manufacturing facilities. More information is available at www.gsmindustrial.com or by calling Brian Dombach at 717-207-7769.
