

Walk your way to earning rewards and get your device paid for.

The Walk-It-Off payment option¹ allows you—as an eligible UnitedHealthcare Motion® member—to select an Apple Watch® via our dedicated unitedhealthcaremotion.com website and have it shipped directly to your home. As you participate in the Motion program and meet your daily walking goals, your earned reward will automatically be used to pay off the remaining balance for your Apple Watch.

Payment option details:

- The Walk-It-Off payment option currently applies to the Apple Watch only.
- You cannot have any existing outstanding tracking device balances with Motion. You can only purchase one Apple Watch, under the Walk-It-Off payment option, at a time.
- Your total price = device price + administrative fee + taxes and shipping and handling.
- As you achieve your daily Frequency, Intensity, Tenacity (FIT) goals, your accrued monthly rewards will be applied toward the outstanding balance for your Apple Watch.
- The initial payment due at checkout will include administrative fee, taxes and shipping and handling.
- Any outstanding balance after 6.5 months will be billed to your stored credit card on file.² At that time, the Walk-It-Off option will be complete.
- At the 90-day mark, you must meet a weekly average of 3 FIT goal completions (any FIT goal combination); otherwise the outstanding device balance will be applied to the stored credit card on file. At that time, the Walk-It-Off option will be complete.
- Device returns* can only be made within 14 days from the purchase date.
- If your Apple Watch is deemed to be defective, please contact Motion Member Services for additional details **1-855-256-8669**.
