

How to Access Your Shelf

Step 1: Log in to your school's book store at [xxx.shelfit.com](#) (your school code instead of "xxx").

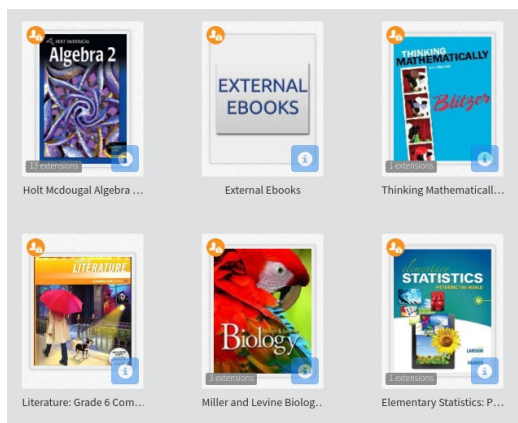

Step 2: Click the green **Go to Your Shelf** button in the center of the home page.

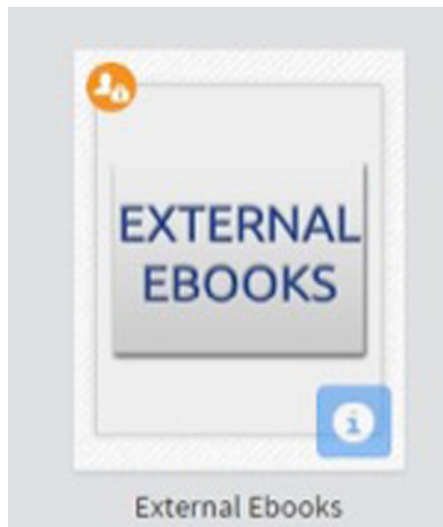

Step 3: This will take you into your main shelf. You will have a welcome notice with a quick tour of how to navigate your shelf.

Step 4: After exiting the quick tour, you will be able to see your full shelf. Your EdTech books will appear on this main screen.

Step 5: Any ebook that are not EdTech ebooks will be in the **External Ebook** tab. Click on it to access your external ebooks.

Step 6: To start reading your books just click on the book image and you will be launched into your world of learning.
