Tennessee Courses

Designed for Tennessee Success!
Your Achieve3000 Tennessee Edition is specifically designed to help all of your students meet Tennessee's academic standards, practice for TCAP assessments, and reach college and career readiness targets. The customized curriculum automatically delivers cross-curricular lessons aligned to Tennessee's grade-level standards for language arts, science, and social studies, all while providing daily opportunities to build the strong literacy and critical-thinking skills needed for TCAP success.

► Targeted Practice for TCAP
► Build Strong Reading & Writing Skills in Language Arts
► Develop Disciplinary Literacy in the Content Areas

EDIT COURSES | SCHEDULE MY LESSONS

Scroll down to the Class Courses section. Open it and check the box next to the course you want to add. Click Submit at the bottom of the screen:

Edit Class

NOTE: Because your district is syncing student data automatically, some fields below are not editable in Achieve3000. Any changes to these fields should be made through your schools Student Information System.
