SPECIAL ED – Here is how you can access i-Ready!

- **Special Ed Department Charis** – you will soon be receiving an i-Ready admin account for your school. Stay tuned for more info, and contact Mike Ricci and Marty Pettigrew (mricci@cainc.com; mpettigrew@cainc.com) if you do not receive more info this week.
- The majority of Special Ed Teachers should now have an i-Ready account! Remember that they may need an Instructional Group created for them if they don't have sections/classes in PowerSchool. If you have any trouble here, have your SPED team contact a member of the i-Ready Implementation Team and we will take care of you!
