

# Smarty Ants Contest

## Announcement

**Especially for Shelby County Schools!!!**

**Contest Dates:** November 27, 2017 – December 15, 2017

**Prize:** Gift card for a celebration from Achieve3000

**Winners Announced:** Week of December 18

**Prizes Delivered:** First 2 weeks in January

### **How It Works:**

Each week for the 3 weeks of the contest, the class from each school with active Smarty Ants students that records the most time played in the program will be entered into a raffle for that school. At the end of the 3 weeks, one class per school will be drawn to win a celebration gift card. This gives classes 3 chances to be entered and they are only competing against other classes from the same school!!
