Serving for Generations

Scholarship Application

Dear Future Leaders,

The Legacy Leaders Scholarship was designed for minority high school girls with a heart to serve the community. We believe in planting seeds of excellence for our young leaders to grow and become dedicated members of the community.

The ideal candidate for this scholarship is a young lady with a passion to see change in the city of Memphis. Three **(3)** students will be chosen to carry the torch of change for her generation by receiving a **\$1,000** scholarship and **3 months** of mentoring to build her program/project.

We encourage all young ladies who are interested in creating a program/project within her community to apply.

Sincerely,

Sheleah B. Harris, M.Ed.
