

PARKING VOLUNTEERS NEEDED!!!!

Football season for the University of Memphis kicked off this past Saturday at Liberty Bowl Stadium, and our BOE parking lot on Hollywood was in high-demand. This Saturday is the **BIG** Southern Heritage Classic game. We would love to have you as a [**volunteer parking referee**](#). All proceeds collected from game day parking will go directly back to our students via School Seed. The job is easy -- just collect parking fees and have fun interacting with some of the best football fans in the country! Sign up TODAY to be a parking referee [here](#). Find more detailed information on the sign up site when you register to volunteer.
