

# Barnes & Noble Educator Appreciation

Barnes & Noble is celebrating Educator Appreciation **every weekend in April**.

Educators and School Administrators who join us in April on Saturday and/or Sunday will receive special discounts\* on merchandise:

- 25% discount on personal and classroom book purchases, including children's and teen titles, as well as educational toys and games (some items may not be included in the discount program)
- 25% discount on music, movies, tech gear, and more
- 10% discount on all Café consumable purchases (also includes retail coffee, tea, Godiva, and whole cheesecakes)

These special offers are available to pre-K-12 teachers and administrators, as well as homeschool parents, who are enrolled in the free Barnes & Noble Educator Discount program. If you don't have a card, bring in your faculty ID or Homeschool Association card, and we'll get you signed up! We're also kicking off our Summer Reading Program, so if you teach elementary grades, pick up a packet of journals for your students!
