

For over 150 years, our schools have been ingrained in the fabric of our neighborhoods and the identity of our city.

Our success is tied to the economic vitality of our city. We are the second largest employer, and our graduates fuel the local workforce. To support SCS is to support the future of Memphis.

The authentic character and soul that defines our city is reflected in every one of our schools. **We are 901.**

#SCSis901

WE ARE 90!
