Raymond Boyd has over 27 years of service as a member of Plumbers Union Local 690. He started his plumbing career in 1986 and became an apprentice with Local 690 in 1988. In 1994 he graduated from the apprentice program where he was honored with the 1994 Apprentice of the Year Award. From 1995 – 2007, he was the general foreman on many influential projects in the city of Philadelphia, including the water meter project and the Comcast Center. In 2007 he was asked to teach welding part time at Local 690. In that same year he became an officer of Local 690 and was appointed to the Political Action Committee by Business Manager John I. Kane.

In 2008, Raymond became a full time instructor for Local 690's Apprenticeship program. In 2009 he became a Master Plumber within the city of Philadelphia and obtained his CWI with the American Welding Society, a prestigious welding certification. In 2010, he was asked to teach at Washtenaw Community College in Ann Arbor Michigan for the United Association where he is currently teaching in their Train the Trainer program. In 2011 Raymond became the Training Director of Plumbers Union Local 690 and also serves as the Recording Secretary for Local 690.

Raymond resides in Pennsauken New Jersey with his lovely wife Yetta of twenty five years, along with their two sons Raymond Jr. and Ryan, and his sister Pamela. Raymond has served on the Deacon Board at Star of Hope Baptist Church for the last sixteen years where he is currently Vice Chairman of the Board. Raymond would tell you that his relationship with GOD and his loving family is what guides him.
