## About Us

The Marvin Community Development Services Corporation (MCDSC) is a faith-based, non-profit organization and shall be operated for community development and charitable purposes within the meaning of Section 501 (c) (3) of the Internal Revenue Code or the corresponding section of any future Federal tax code.

MCDSC was established to address, educate, coordinate, and provide programs, services and solutions within our local, Union County North Carolina, and surrounding communities for the benefit of community development.

Our programs include, but are not limited to, performing needs assessments of the hungry, educational attainment, health, socio-economical development, technical literacy and general welfare of the catchment area.
