

THE GREAT BOYS & GIRLS CLUBS

SCHOOL SUPPLY CHALLENGE

Dear Friend,

Every day, our Clubs work with young people to help them be successful academically, develop good character and live healthy lifestyles. Nearly 6,000 lives are changed every year at our 33 Clubs in Cloverdale, Geyserville, Healdsburg, Guerneville, Monte Rio, Windsor, Santa Rosa, Rohnert Park, and Petaluma.

Club programs are carefully designed to develop self-confidence, life skills, and academic success. In fact, last year **99.8% of our Club members progressed to the next grade.**

Help us continue to build great futures by donating supplies to the Great Boys & Girls Clubs School Supply Challenge or by making a cash donation at bgccsc.org/backtoschool.

Thank you for your support!

Chief Executive Officer
