Message from the Staff

Dear Coaches-

We are excited to have planned our 16th year of the I-70 Baseball Coaches Clinic here in Greenville, IL. We feel very fortunate to be able to bring in such top clinicians such as **Mike Shildt, Mike Martin, Derek Johnson, Jason Ochart and Kai Correa** as this year's speaker lineup. We will put our speaker lineup against any other clinic in the country!

Last year, our I-70 Clinic attracted over 350 coaches from 8 different states to our venue. The I-70 Clinic is housed in the Greenville High School Auditorium, with 660 movie theater style seats, a huge stage, a projector screen and terrific sound system. We will have over 100 door prizes to give away, including the \$250 cash prize.

For the \$50 clinic fee, we think our I-70 Clinic is the best clinic value anywhere. Coaches have the chance to hear all **speaker sessions, eat and drink at the Sunday Social, eat a catered lunch on Monday, win a terrific door prize, and all teachers can earn professional development hours.** We hope the speakers and these “extras” help to set our Clinic apart from all the rest and be a **bargain** for the price.

If you have questions about anything associated with our clinic, please give us a call or an email. We hope to see you and your staff here in January.

Sincerely,

Greenville High School Baseball Staff
