Wood Destroying Insect Inspection Training and Registration Program

Thursday, January 17, 2019

&

Friday, January 18, 2019

**Crowne Plaza Boston-Woburn
15 Middlesex Canal Park Drive
Woburn, MA**

Wood Destroying Insect Inspection Training and Registration Program

Note: Approved for 12 hours in Category 41, or 12 hours in Category 43 or L.

Approval Pending by the MA Board of Registration for Home Inspectors for 12 CEUs. Approved by ASHI for 10 MRCs.

Advanced Registration Required!

There is required reading. You will receive your copy of the training manual to study before the program.

NEPMA has developed a professional pest management industry-specific training and registration program for conducting inspections and recommending treatment options for wood destroying insects (W.D.I.). This program is open to all pest management professionals and real estate inspection professionals who are interested in earning the designation. (W.D.I. registration is good for three years.)

What's the cost to participate?

\$300 for NEPMA members and/or their employees
(Current members of ASHI located in New England may also attend at the member rate.)

Non-Members: \$400

What's included in the training program?

- 12 hours of classroom instruction and the registration exam
- A comprehensive training manual authored by Dr. George Rambo (via link or email)
- A certificate of completion of the W.D.I. training program good for 3 years. Renewal consists of a refresher course prior to expiration.
