

SIS: Student Information

Student Privacy Flags

Student Privacy Flags maintain student privacy, while still alerting users that the student has an IEP, a 504, has been identified as an English Learner (EL) or has legal papers on file at the school.

To use Student Privacy Flags:

Use the Student Search features in the BCPS One SIS to find the student you would like to review. Click Select or Info next to the student's name.

In the Selected Student box you will see a red Student Privacy Flag icon if appropriate. Hovering over the icon will reveal if the student has an IEP, a 504, has been identified as an EL, or has legal papers on file with the school. If a legal alert is revealed, the user is directed to contact a school administrator.
