

Following the supper everyone watched the movie *Inside Out* in St. Mary's Hall in preparation for our Saturday Vacation Bible School.

On Saturday, we had a total of 13 children participating. Throughout the day, we discussed emotions, how

to deal with people and their personalities, and where is God in our lives. The kids painted with shaving cream, which decorated the altar on Sunday. In the afternoon, we had a water fight in the rain and when the parents came, we did a family activity before departing for the day. On Sunday for service, the kids and youth ushered, served as lectors, and participated in the Eucharist.
