

# PROPRACTICE

**Commitment to putting physicians and patients first**  
So you have the peace of mind you've provided the best care possible

**Commitment to stabilizing your practice's financial health**  
So you don't have to choose between paying your employees and paying yourself

**Commitment to reducing your administrative hassles**  
So you can get home earlier

ProPractice was developed by the El Paso County Medical society exclusively for EPCMS members. It's a part of our vision to make Colorado Springs the best place in America to practice medicine and receive medical care by 2020.

ProPractice shares your commitment to your patients and to the reason you became a physician: delivering the highest standard of care with the most up-to-date methods. Our professionals at ProPractice understand the unique challenges faced by medical professionals in this rapidly changing environment of increasing regulations and reporting requirements.

ProPractice offers small-to-medium sized practices the resources to compete effectively and operate efficiently so you can do what you do best, take care of patients.
