

## HOW CAN YOUR INVESTMENT IN GCS IMPACT ETERNITY? Meet Jeremy ....

"GCS has changed my life, who I am, and what I believe. I've attended GCS since my 9th grade year. My time here has fostered in me a stronger faith, a developed mind, and a vision for my future. Throughout my four years here, I've noticed how every teacher wants us to succeed, wants us to learn, wants us to be prepared for a lifetime of serving Christ."

Grace has prepared me for my future by teaching me how to think for myself and showing me that I have a voice and am not constrained to the opinions of my teachers. This crucial knowledge will help me think and work for myself in a world that wants to destroy my beliefs and subdue me to "tolerance" and "acceptance". My time here has led me to realize that I am truly not my own and everything I do for the rest of my life can glorify God." Jeremy Hardigree, GCS Senior
