

*What is God calling your Congregation to do and be in  
this time and place?*

## COME AND SEE GATHERING

September 20—7 to 8:30 pm

Point Pleasant Presbyterian Church -701 Forman Avenue, Point Pleasant, NJ

*Bring yourself. Bring a Team. Come and Learn more about New Beginnings*

### **What is New Beginnings?**

New Beginnings is a service that resources congregations to assess their strengths and challenges as they seek to engage in significant ministry in their communities. The service enables congregations who have experienced uncertainty about their next season of ministry to envision a new path for their future. Just as the world around our churches changes, so should our ministry and mission goals.

### **What is the New Beginnings Assessment?**

The assessment and follow-up training intends to help congregations gain a realistic picture of their resources, their demographic strengths, their potential for change, and their potential for vital ministry in order to put them on the road to sustainable Christian witness and action in their communities.

### **Who is leading this?**

This is a joint venture, for the Presbyteries of Monmouth, West Jersey and New Brunswick, between the Synod of the Northeast New Beginnings Network and Hope Partnership for Missional Transformation.

### **Who is Hope Partnership for Missional Transformation?**

Hope Partnership for Missional Transformation is a partnership of five denominations (including PCSA), with partners from multiple church organizations that work together to create courageous leaders for this new era of God's mission.

### **What does this Cost?**

The Come and See Gathering is free. Come and learn more about the process and the cost. Come and learn how your congregation could benefit from New Beginnings. Participation in the **COME and SEE GATHERING** does not commit you to the process. Come and learn more where God could be calling your congregation to do in this time and place and into the future.
