

HRU SPRING SEMESTER!

**(Hudson River Presbytery's
Hudson River University)**

**Saturday, March 17, 9:00 am - 3:00 pm
Stony Point Center**

Registration coming later this month, but mark your calendars now!

HRU is indeed back for a spring semester... with some of the same awesome classes along with new and exciting offerings... and a great faculty, sharing their skills and experiences... all intended to assist and support your congregation and its leaders!

There are five "majors" with three classes each, early and late morning and early afternoon following lunch, many of which build on the other, yet, one can choose to switch around:

Clerk of Session Day - training for new and experienced Clerks*

Officer Training for new and continuing Elders and Deacons

Christian Education: Children - Youth – Adult

Social Justice/Advocacy: Difficult conversations on issues of disagreement - Building energy for social justice work in your congregation - HRP Partnerships

Planned Giving – Stewardship Workshops A & B

This university is open to everyone... old and young... all church members, officers or friends from any of our HRP congregations! The best part is that tuition is **FREE!!!** There will be a cost for lunch (\$10) but any and all instruction and materials will be at no charge.

*Clerks are required to attend the annual Clerk's Day. They are being encouraged to bring a car load or two, especially new officers who could benefit from the officer training.

Be sure to share this information with everyone in your congregation and include it in your church's newsletter!

See ya March 17 at Stony Point!
