

MODERATOR TRAINING

This training is for:

- Elders who may be called on to serve as Session Moderators in churches without Pastoral leadership (especially in Regions 1 & 4); and
- Pastors not serving in pastoral positions who would like a stronger foundation for Moderating Sessions.

Please note:

- This training is NOT intended to prepare Elders to moderate their own Sessions.
- Once trained, Elders would need to be appointed by COM before moderating a session.
