

Considering Post-Secondary Education?

We have schools rated in the top 10 best for student/professor ratios, scholarships, professors, post grad job prospects, sports programs, and student life.

**Saturday November 19th
8:30 am**

We're kicking open our doors to welcome students (both male and female) to join us in a special Guys' Community Breakfast.

So... bring your dads and granddads to this beast of a feast and find out more about the many different undergraduate and graduate programs offered through our Concordia Universities.

Call ahead to reserve seats. (519) 348-9082
