Dear Friends and Supporters of the ROKPA humanitarian projects

New ROKPA charity in the UK!

We are very happy to inform you that ROKPA, Akong Rinpoche's humanitarian charitable work, will continue in the UK following the closure of the ROKPA UK office in Samye Ling!

A new charity has been established in London, called "ROKPA GB". This new charity will continue over 30 years of ROKPA work in the UK and we will work closely with ROKPA INTERNATIONAL to make sure that funds can be directed to ROKPA's projects in the most effective way.

If you want to support ROKPA GB, then donations will be possible over our website (www.rokpa.org/uk) at the beginning of 2017 or if you'd rather set up your donation directly then you can email or write to us with your details.

Whatever your intention, ROKPA GB would very much appreciate you contacting us even if you just want to join our mailing list and find out about ROKPA's work, fundraising and volunteering. Please email rokpa.gb@rokpa.org and visit us on FB: www.facebook.com/ROKPA.org to stay in touch.

ROKPA GB has been set up as a charitable company limited by guarantee (which is very common for charities) and its company number is 10478336. We will be working closely with ROKPA INTERNATIONAL and our trustees all have a strong connection with ROKPA. Lea Wyler, the Co-Founder of ROKPA, worked closely with Akong Rinpoche for 35 years and is the current President of ROKPA INTERNATIONAL, John Henry is a lawyer and has worked with Samye Ling and ROKPA for over 15 years and Jill Dawson worked as a producer with the BBC and produced the BBC ROKPA promotional film.

We thank you from the bottom of our hearts for your generosity in the past and ROKPA GB counts on you to continue being part of the ever growing ROKPA Family. The new ROKPA team looks forward to working with you and counts on you to continue to help where help is needed – to help where Akong Rinpoche wanted support to be given.

With best wishes.
