

You are invited to

Operation Save A Life

Community Health Fair

Tuesday
June 19, 2018
8 a.m. – 4 p.m.

Brittlebank Park
185 Lockwood Drive
Charleston, SC 29403

Attend the Community Health Fair to receive services for the whole family, such as:

- Health screenings for breast, cervical, cardiovascular such as blood pressure and cholesterol check, A1C, HIV, and more
- Get information on chronic diseases, such as diabetes, cancer, and high blood pressure
- Family and kid friendly activities

Pre-register for no-cost breast and cervical cancer screenings and cardiovascular screenings at the Community Health Fair:

Mobile health units will be on-site to provide high quality, no-cost breast, cervical, and cardiovascular screenings through the Best Chance Network Program and WiseWoman for women ages 21 to 64 years old who meet eligibility requirements. ***Call (843) 792-0878 to pre-register and find out if you are eligible.***

For more information on Operation Save A Life Community Health Fair, call (803) 898-2341.
