

Chambers County School District

"Building Tomorrow...Today"

Powell Chapel United Methodist Church

"Education is for improving the lives of others and for leaving your community and world better than you found it."
– Marian Wright Edelman, founder & president of The Children's Defense Fund

Education is an essential component in producing a vibrant, thriving world. As we are such a small community it is important to the City of LaFayette and Chambers County that we work together to ensure our youth are equipped with needed resources to attain a solid foundation in education. This foundation will build more successful futures for our young people and a greater community.

Powell Chapel United Methodist Church's Youth Department has founded **PHYRE (People Helping Youth Reach Excellence)**. PHYRE (pronounced "fire") is an organized group/ministry whose primary focus is to help impact and enrich the lives of our youth. Last year, in early August, we held our fourth annual "Back to School Bash" which was a county-wide event. What a success! **PHYRE**, in partnership with **Chambers County School District**, were able to provide fun, food, games, inspirational speakers, live music and, most importantly over 500 backpacks for K-12 students filled with school supplies for our local youth.

This year the "Back to School Bash" will be held on August 12, 2017 and will include:

- Free school supplies for students of all ages
- Free Food/Games
- Motivational speakers and live musical entertainment
- Spirit Stick Competition and much more...

We would appreciate your support and participation in making this event even more of a success this year and reaching more of Chamber County's youth (our future). **Please consider becoming a sponsor for this event. Sponsorship Form Attached.**

We look forward to hearing from you as we begin our journey towards empowering our future. If you have any questions, please do not hesitate to contact Adrian Holloway at (334)-497-0731.

Thanks,

Adrian Holloway
