

**CHRISTINA CULTURAL ARTS CENTER'S
SLIDING FEE SCALE**

To calculate your class tuition and fees please see directions and example below.

1. Find your class
2. Find your total household income range
3. Find the number of people in your household
4. Find your fee per class
5. Find the number of weeks for that class

Formula:

Take the amount per class and times that number by the number of weeks in the session. Please see example below

Ex. Violin- \$37.50 (per class) x 15 (# of weeks in the Fall session) = \$562.25 (full tuition)/ divide the full tuition amount by 3 = \$187.41(Deposit)

Note: You have the option of paying the total amount due or no less than the calculated 1/3 deposit in 3 installments.

- 1st 1/3 deposit due at registration/**
- 2nd 1/3 payment due October 15th/**
- 3rd 1/3 payment due November 15th**
