**REQUEST FOR PROPOSAL (RFP) FOR  
STORMWATER PROGRAM IMPLEMENTATION – SURFACE MAPPING  
PWSA PROJECT NO. 2018-GI-100-0**

Through the issuance of this Request for Proposals (RFP), the Authority is interested in soliciting proposals (Proposals) from firms that are financially and technically qualified to provide a comprehensive geodatabase of impervious surface feature class layers for the City of Pittsburgh.

All bids must be submitted in accordance with the solicitation that can be obtained by sending an e-mail to Charlene Juratovic at [cjuratovic@pgh2o.com](mailto:cjuratovic@pgh2o.com). There will be no charge for the solicitation, as it will be sent via e-mail. All questions relating to the solicitation itself shall be directed to Nicole Dickun, Procurement Manager, via e-mail to: [ndickun@pgh2o.com](mailto:ndickun@pgh2o.com), no later than **September 5, 2018** at 4:00 p.m.

All Offerors interested in submitting a proposal in response to this solicitation are invited to attend a Pre-Bid Meeting, to be held on August 28, 2018 at 10:00 a.m. in the Authority's Conference Room, 1200 Penn Ave., Pittsburgh, PA, 15222. The purpose of this meeting is to give an overview of the contract requirements and to allow Offerors to ask questions.

No bonds are required.

The Contractor must assure that employees and applicants for employment are not discriminated against because of their race, color, religion, sexual preference, sex, or national origin.

The Authority reserves the right to withhold the award of the Contract for a period of 90 days after the opening of the bids.

The Authority reserves the right to reject any or all bids, and to waive any informality or minor irregularity in any bid or bids. The Authority also retains the right to investigate the qualifications of bidders prior to any award and to award contracts only to contractors who, in the sole judgment of the Pittsburgh Water and Sewer Authority, are qualified and equipped to properly execute the specified work.
