What is Women in Philanthropy?

A philanthropic organization for the collective giving of women within the Lowcountry community was formed in 2003 in conjunction with the Community Foundation of the Lowcountry. It is a local women's giving circle.

Who is in charge?

An Advisory Board, comprised of Women in Philanthropy members, provides oversight and implementation of all Women In Philanthropy programs.

How are WIP board members selected, and how long are board terms?

Candidates who have been active in WIP's standing committees and/or have exhibited leadership potential are suggested by current Board members. The Governance Committee (made up of past board chairs) then makes recommendations to the Board, and members vote on candidates at the Annual Meeting in May. Board terms are 3 years, and no member can serve more than 2 consecutive terms.

How is WIP connected to the Community Foundation?

The Community Foundation of the Lowcountry's mission is to connect people, resources and needs. Through its efforts to achieve this mission, the community foundation has developed expertise in addressing community needs and improving the lives of people within our regional community. The Community Foundation of the Lowcountry provides WIP with fund management and administrative support. This assures donors that less than 2% of donor dollars goes to administration. It allows for maximum professionalism at minimal cost.

What is an endowment fund and why did WIP choose to establish an endowment?

An endowment is a permanent fund established for either specific or general purposes. The WIP fund supports the mission and programs of Women In Philanthropy. Because the principal of the endowment always remains intact (only a specific percentage is distributed annually), the fund will always be available to support programs and services determined by members of Women in Philanthropy for years to come. The Founding Advisory Board of WIP chose to establish an endowment fund with the Community Foundation of the Lowcountry through the initial contributions of 100 Founding Members, and on-going Annual Member contributions, to assure a permanent source of funding to support the work of Women In Philanthropy today and well into the future.

How are grants distributed from the endowment fund?

Grants from the endowment fund are distributed annually. Grantmaking is focused on supporting nonprofit programs that strengthen families and individuals in the areas of arts and culture, community development, education, the environment, health, and human services. The Grants Committee recommends areas of focus for the upcoming grant cycle and the membership votes on an annual theme. The Grants Committee reviews applications from eligible non-profit agencies and makes recommendations to the Advisory Board. The board votes to award grants on behalf of the WIP membership.

How is the WIP Fund invested and who is responsible for oversight of the fund?

The Women In Philanthropy Fund is invested along with other endowment funds within the Community Foundation of the Lowcountry. The foundation pools its endowment funds for investment purposes, allowing more efficient investment and greater protection against fluctuation than if each endowment was invested separately. The Community Foundation's Finance and Investment Committee is responsible for the oversight of the fund and oversight of the professional investment managers retained by the Community Foundation.

What percentage of WIP donations goes to administrative costs?

1-1/4% per year, calculated and charged quarterly, based on the average daily balance of the fund each quarter.

How can I get involved in making WIP a success?

By becoming an Annual Member of Women in Philanthropy, your membership contribution helps to build the endowment and support grant programs. If you would like to take a more active role, there are numerous committees and fellowship opportunities in which you can participate based on your time and interests.

What is the WIP fiscal year and when are annual contributions due?

The fiscal year is July 1 – June 30, so annual contributions must be received by June 30. Members are encouraged to make contributions early so that all names are included in the online directory.

Who do I call with any other questions?

Please feel free to contact Margaret McManus, Advisory Board Chair at margaretmcm@roadrunner.com or Dr. Cynthia Smith, Service Area Liaison with the Community Foundation, at **843.681.9100** or via email at csmith@cf-lowcountry.org.
