Bishop McAlilly's sermon during our upcoming annual conference will be presented via webcast at several churches throughout the conference.

All members of every United Methodist church are encouraged to attend one of the host churches to view the sermon and participate in

facilitated conversation. The nearest host church for the people of our

area will be Fellowship United Methodist Church at 2511 New Salem Highway, Murfreesboro, TN.

Doors will open Sunday, June 11th, 2017 at 5:30 p.m. A delicious dessert buffet will also be provided. The theme of annual conference and the bishop's message is "Sent to Serve God and Neighbor." Please plan to attend and invite a friend.
