

“Godspeed” *to Dr. Craig Goff* *and Stephanie*

Godspeed God·speed
(gäd' spēd/exclamation)

1. an expression of good wishes to those starting a journey.

Dr. Craig Goff has faithfully served as our senior pastor for over 8 years.

During his years of service, we constructed a new sanctuary, expanded our outreach programs, and made great strides in fulfilling our mission of making disciples of Jesus Christ.

Several weeks ago, we learned that Dr. Goff will be transferring to another church within our conference. Dr. Goff's last day of service to

St. Mark's will be Sunday, June 17. We want to send Craig and Stephanie to their next appointment undergirded with the prayers and support of their church family at St. Mark's!
