

Children's Classes Provide a Biblical Foundation for Faith!

St. Mark's Children's "SPARK" classes provide children Age 2 – Grade 6 with a wonderful, age-appropriate Biblical foundation so that their faith can grow and blossom to maturity! Classes meet Sunday mornings, 9:45 – 10:45 a.m. and all children are welcome!

We are blessed to have wonderful, dedicated and fun-loving teachers, but are always in need of more persons to guide our children toward Jesus. If you would be willing to serve on a teaching team or as a class shepherd, please contact Rev. Martha Touchton.

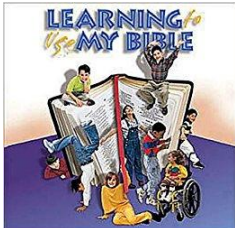

It Only Takes a Spark!

St. Mark's SPARK: ACTIVATE FAITH for Children Age 2 – Kindergarten!

SPARK Sunday School helps children experience God and know God's Word as they walk through the key Old and New Testament Bible stories of the Bible, with the Old Testament stories in the fall quarter and the New Testament stories in the winter and spring quarters.

Your child can take the Bible stories home each Sunday with the beautiful SPARK Story Bible, used weekly in Sunday school and available for families to purchase for use at home for \$20.00. You can learn more about it [here](#). See Rev. Touchton about ordering a SPARK Bible for your young and growing Christian!

Grades 1 & 2 and Grades 3 & 4 Learn to Use Their Bible

Children entering Grades 1 & 2 and Grades 3 & 4 will meet together for a special 5-week study of "Learning to Use my Bible," which helps young children learn to find Bible verses, locate favorite stories and understand how the Bible came to be. The study begins August 13 and will continue through September 10th. Students who have their own Bibles are encouraged to bring them to class. Students who do not have Bibles of their own can use a classroom Bible until they receive a gift Bible in church on August 27th.

5th and 6th Graders Connect Faith and Life

Tweens entering Grades 5 & 6 are embarking on a year-long journey through the Bible. CONNECT helps tweens explore the connections between the Old and New Testaments using videos, Bible exploration, and hands-on projects.

CONNECT participants are encouraged to highlight and mark in their Bibles during class. The curriculum offers a special CONNECT Bible for \$20.00; you can learn more about it [here](#). See Rev. Touchton about ordering a Connect Bible for your 5th or 6th Grader!
