We had a great time this past Saturday at Hands and Feet. This is a conference event, held at Cedar Crest Camp, with an emphasis on mission. During the morning, we cleared some trails and then we worked in the afternoon on the storage barn. We hauled a ton of stuff to the burn pile or dumpster and reorganized and cleaned the area so the camp can better use the space. We were tired and dirty by the end of the day! Thanks to John and Michelle McDaniel for going with us!
