# Ski Trip Feb. 24-25

## Beech Mountain Lodge North Carolina

## Ski Trip February 24-25, 2017

Where we will be: We will ski at Beech Mountain Resort which is the highest ski area east of the Rockies. They have 95 skiable acres with plenty of trails for all ski typer. There is an additional fee for ski rental and helmet rental. There is outdoor ice skating and shopping at the resort as well.

We will ride up and back on a charter bus. We will be staying at the 4 Seasons at Beech resort, about 5 miles from the slopes.

Your trip cost will include breakfast at the resort and lunch in the ski lodge. All other meals and snacks are on your own—basically dinner on the way home.

We will meet on Friday the 19th at 5:00. Eat dinner before you come (or bring it on the bus). We will stop for rest area breaks. We will return on Saturday at 11:00pm. I'll expect to see you at church on Sunday!
