

# PAINT IT PINK

Sunday - October 22, 2017 at 2p.m

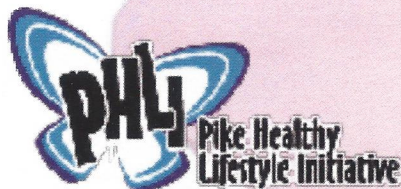

## Help Support the Fight!

We are asking the local community to come together to support The cause. Please help support the 3rd annual Paint it Pink Pike County 5K Run/Walk. All sponsors will receive advertisement on the Pike Co. YMCA website, S.O.M.C websites, radio, race day shirts, and race banners. We are looking for sponsors who are able to give on one of the two levels. The \$50.00 level will be recognized on all advertisements. The \$100.00 level will also receive the same advertisement but also receive 2 registrations and race day shirts for the event. Costs will help cover race day events and support the S.O.M.C Compassion Fund. Sponsors are encouraged to come the event and set up tables to promote businesses and also participate in the event. Please make donations to P.H.I.L.
