

MEET DORIS and GLENN WHITCOMB

Doris and Glenn have been members at First, Westminster, and Faith Presbyterian since 1954 (Doris since 1957). Glenn serves the Christian Education (C.E.) committee as a committee member and Small Group leader. He also sings in the Chamber Choir.

Glenn helps seniors and low income people prepare tax returns each year by working with AARP TaxAide, and for many years served Habitat for Humanity in construction and as a director.

Doris is active in the Elizabeth Circle, the Bible Study Small Group, and is supporting a Sudanese mother who is in a UN refugee camp in Ethiopia. She also has a care ministry outside the church.

Glenn came to Texas via recruitment by Humble (now Exxon Mobil). He is a graduate of the University of Florida. Doris came to Texas after graduating from Mississippi State College for Women. They met at the Humble Recreation Club where Doris was a weekend lifeguard and Glenn played golf.

Doris and Glenn have three grown daughters: Kay Lynn, Nancy, and Betsi. They also have five grandchildren. Whitney, Hunter, Garrett, Colt, and Case.

Take some time to meet Glenn and Doris. You'll soon find that they have a faith story to share and you'll be so glad you are all part of this Faith family.
