

~ SPRING EVENTS AT KIRKMONT CENTER ~

Day of
Renewal
Wednesday
April 25

This Day of Renewal at Kirkmont Center continues the format of the previous five Days of Renewal:

Registration from 9:30 - 10:00; programs; a fresh, locally-sourced lunch; more programs and a 3:00 p.m. ending time, although you can stay and hang out or hike.

Most importantly, everything is optional, including staying the night before with the possibility of stargazing.

The keynote will be **Spiritual Survival Skills** with writer and pastor Melissa Tidwell.

What are the essential spiritual survival skills to help us walk the gospel way?

Imagination is a grace often overlooked. In poetry and scripture, Rev. Tidwell will help us reclaim our original blessing of wonder and imagination. The keynote will be approximately an hour with a brief wrap-up period after lunch.

Amanda Ark, a former Kirkmont Center camper, summer staffer, and naturalist, will share her experience teaching at the Jochiwon Girls Middle School in South Korea. Amanda will describe how faith led her there, how belief transcends culture and how joy is understood in every language.

\$20 includes lunch. Tuesday night lodging, stargazing, and continental breakfast on Wednesday are available for an additional \$40. RSVP by Monday, April 23rd.
