

Supporters,

The Mosinee Silverblades Figure Skating Club will again host the Badger State Winter Games Figure Skating competition at the Mosinee Rec Center Jan 26-29, 2017. This is the largest ice skating competition in the state and brings nearly 500 skaters and 20 volunteer judges from around the nation to Mosinee to compete. Our Welcome Bag Committee is seeking support for items which will be placed in the "welcome packet" that each skater will receive upon their arrival to the event. The "Welcome packet" has been a long-standing tradition at most figure skating competitions and is usually comprised of nutritional supplements, useful memorabilia, or corporate logo wear useful during the competition. Specific items such as nutritional sports or energy bars, a bottle of water or refillable water bottle, hand towels to dry skate blades, and food coupons are highly valued by the athletes and can also provide recognition for the donating organization or vendor.

We are asking for your help in support of our initiative. Would you please consider making a donation to our "Welcome Bag" by providing a cash donation, or an in-kind contribution to make the Games a great experience for the athletes?

Businesses that donate to the welcome bags are provided with an advertisement in the programs which are distributed at the figure skating events. Programs are given to each skater and volunteer judge and are also available for sale.

*In addition, with your donation we will place a coupon or other form of advertisement (business card, etc.) in the welcome bags as well. (If you choose to supply)

If you are interested in donating please contact: Kurstin Kolodziej (kolodziejkurstin@gmail.com 715-432-7229 or Andy Kunkel a_kdesign@hotmail.com 715-321-1301). Arrangements will be made to collect the donation and to get you our club's tax id#. Mosinee Silverblades Figure Skating Club is a 501c(3) tax exempt organization.

Any donation received will be recognized in the program with different sizes of ads/logos placed based on the donation size. The program provided to those attending is an 8 1/2 x 11 booklet. The following size ads are available with the donation amount guide.
